

Helping to advance ESG best practice across Ireland's financial services sector

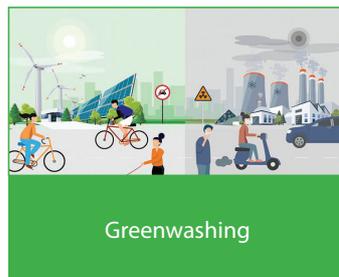

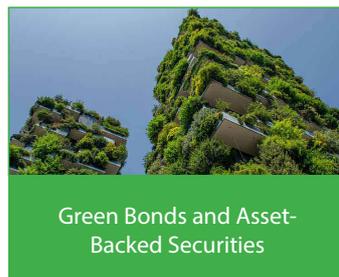

The CISI in Ireland are delighted to work in association with Sustainable Finance Skillnet to offer firms up to 60% off bulk orders of CISI qualifications, Professional Refresher elearning Modules or bespoke training packages.

Sustainable Finance Skillnet is a national network working to develop skills and leadership capacity to advance ESG best practice across Ireland's financial services sector.

Green Finance Qualifications

Professional Refresher elearning Modules

How to take advantage of this offer

If you are interested in developing the skills and leadership capacity of your firm and team, please contact Deirdre.Lawson@cisi.org for further information.
